VISION

To be a global leader and provider of choice for energy transportation and maritime services.

MISSION

- Safely, reliably and efficiently provide shipping and maritime services
- Exceed customer expectations through strong partnerships
- Protect the environment wherever we work
- Contribute to and support the Qatar National Vision 2030
- Foster passionate collaboration and capture synergies amongst the Nakilat family
- Maximize shareholder return through optimized investment opportunities
- Invest in human capital; attracting, retaining and developing our workforce with an emphasis on National Development

VALUES

Safety

Incident and injury free

Integrity

Honesty with sound moral principles

Encouragement

Be motivated and motivate people around you

Passion

Strong commitment towards continuous improvement

Respect

Value others' diversity and perspective

GLOBAL SHIPPING & MARITIME COMPANY

Established in 2004, Nakilat is a shipping and maritime services company based in the State of Qatar. One of the world's largest liquefied natural gas (LNG) shipping fleet comprising of 69 LNG carriers, we provide the essential transportation link in Qatar's LNG supply chain. Through its wholly-owned subsidiary Nakilat Shipping Qatar Limited (NSQL), the company manages and operates one floating storage regasification unit (FSRU), four very large LPG carriers (VLGCs) and 25 LNG carriers. Nakilat's vessels operate on a global scale, delivering services to customers worldwide.

In addition to its core shipping business, Nakilat operates the Erhama Bin Jaber Al Jalahma Shipyard in Ras Laffan Industrial City, providing comprehensive ship repair and offshore fabrication services via strategic joint ventures: Qatar Shipyard Technology Solutions and Qatar Fabrication Company (QFAB). It also provides shipping agency services through Nakilat Agency Company (NAC) at all Qatari Ports and terminals, as well as towage and other marine support services through its joint venture Nakilat SvitserWijsmuller (NSW). The company's Vessel Support Unit (VSU) offers chandlery, storage and logistics services for vessels operating in Qatari waters.

* Global LNG Shipping Capacity, excludes FSRU

COMPETITIVE ADVANTAGES:

LEADER IN LNG TRANSPORTATION:

We ship about two-thirds of Qatar's LNG exports worldwide and are actively expanding our fleet and shipping capabilities to support new LNG markets.

GLOBAL MARKET OUTREACH:

Through strategic joint-ventures with other leading shipping companies, we deliver international LNG cargoes and expand our global outreach in a safe, reliable and efficient manner.

LONG-TERM STABILITY:

Our strategic long-term charter contracts and partnerships have contributed to Nakilat being one of the highest credit-rated shipping company worldwide, giving us an edge in the competitive global market.

CHAMPIONING SUSTAINABILITY:

We strongly believe in championing sustainability throughout our business operations by ensuring the safety and development of our people, enhancing the lives of local communities and protecting the environment.

FLEET EXPANSION

The company is advancing its fleet through strategic vessel acquisitions, beginning with an order for two LNG carriers and four Very Large LPG/Ammonia Gas carriers, which will be delivered starting from 2026. This expansion continued with Nakilat's agreement with QatarEnergy to own and operate 25 conventional LNG vessels, reinforcing Nakilat's pivotal role in meeting the North Field expansion requirements. Furthermore, Nakilat signed another long-term agreement with QatarEnergy to charter and operate nine QC-Max LNG vessels, the largest of their kind, built in China. Through these milestones, Nakilat is positioned to grow its fleet, underscoring its commitment to safe, sustainable, and reliable gas transportation.

ERHAMA BIN JABER AL JALAHMA SHIPYARD

Qatar Shipyard Technology Solutions

Established in 2008, the company is a leading facility in providing ship maintenance services and marine structures. Located in the strategic Erhama bin Jaber al Jalahma Shipyard at Ras Laffan Industrial City and spanning an area of 50.8 hectares, the company offers a comprehensive range of maintenance and conversion services for marine vessels.

The facility has the capability to manufacture marine and terrestrial structures, such as jack-up drilling rigs, exploration drills, boat lifts, and related components.

Facilities:

- ◆ Two VLCC-size dry docks (360m x 66m, 400m x 80m)
- ◆ One VLCC-size floating dock (405m x 66m) with a lifting capacity of 125,000-tonnes
- ◆ Piers and quays totaling 3,150m in length, equipped with 15 cranes of varying capacities (30, 50 and 100-tonne)
- ◆ Steel workshop, mechanical workshop, electrical & instrumentation workshop, pipe workshop, cryogenic cleanrooms and a large warehouse
- ◆ Small vessel repair facility, which has a floating jetty, dry berth, four tower cranes of 25-tonne lifting capacity each and two mobile boat hoists (300-tonne and 1,100-tonne)

ERHAMA BIN JABER AL JALAHMA SHIPYARD

Qatar Fabrication Company W.L.L
الشركة القطرية لتصنيع الهياكل ذ.م.م

Qatar Fabrication Company (QFAB)

Established in 2019, the company is a Qatari joint venture company, 60% owned by Nakilat, Qatar's leading shipping and maritime company.

Strategically located within Erhama Bin Jaber Al Jalahma Shipyards, QFAB is leading the way in Qatar through the delivery of enhanced offshore and onshore energy industry facilities fabrication, construction, and assembly services, supply-chain localisation solutions in line with Tawteen, QatarEnergy In-Country Value (ICV) initiatives and the Qatar National Vision 2030 from the heart of Qatar's oil and gas activities in Ras Laffan Industrial City.

Fabrication Services

- ◆ Pipe fabrications and solutions
- ◆ Module fabrication & assembly
- ◆ Fabrication facilities

Onshore Construction

- ◆ Field construction
- ◆ Modular construction

Facilities:

- ◆ Construction hall measuring 270m by 65m
- ◆ 23,400sqm of covered storage, workshops and assembly facilities
- ◆ 4,800sqm of modular workshops
- ◆ 776m fixed quay equipped with 30-tonne jib crane
- ◆ Load Out Recovery (LOR) barge with 10,425-tonne lifting capacity
- ◆ Semi-submersible measuring 140m by 35m

MARINE SERVICES

Nakilat Agency Company Ltd. (NAC)

A Qatari company, 95% owned by Nakilat and 5% by QatarEnergy, NAC was appointed by and operated under the QatarEnergy Port Agency Shipping License as an exclusive port agent in Ras Laffan and Mesaieed until 2016. The company represents all vessels calling and operating at Ras Laffan Port and the hydrocarbon vessels at Mesaieed Port.

NAC continues to provide agency services at the Ras Laffan and Mesaieed ports as a QatarEnergy-accredited shipping agency since 2016. NAC is also accredited by Qatar Ports Management Company (Mwani) to provide agency services to all local ports under their management.

Services

- ◆ Agency and logistics support
- ◆ Customs formalities
- ◆ Husbandry services
- ◆ Bunker coordination
- ◆ Provision of spare and supplies
- ◆ Crew change and administration
- ◆ Drydocking support

VSU

VESSEL SUPPORT SERVICES

VSU offers a complete range of chandlery services, storage facilities, logistics and related service support to all vessels operating in Qatari waters, 24 hours a day, seven days a week.

With a team of experienced staff and a global network of suppliers, the VSU provides a broad array of material and consumables' supplies and liaison support for repair and maintenance services at Ras Laffan.

Services

- ◆ Storage facilities (e.g. warehousing, inventory management services)
- ◆ Chandlery (e.g. consumables, marine equipment and spares)
- ◆ Logistics (e.g. customs clearance and logistics assistance at Ras Laffan Port)
- ◆ Marine service support (e.g. maintenance of safety and navigation equipment)

MARINE SERVICES

Nakilat Svitzerwijmuller (NSW)

TOWAGE

NSW is a joint venture company established in 2006, owned 70% by Nakilat. NSW operates a fleet of 26 vessels, which includes 25 NSW owned vessels. The fleet comprises of tugboats, pilot boats, line boats, crew boats and other harbor crafts, based in the Ras Laffan Port as well as operating in the offshore fields off Halul Island. NSW offers a range of services including towing, escorting, berthing, pilot support, line handling services afloat and ashore, emergency response, and marine maintenance support.

FLEET

- | | |
|------------------------------------|--|
| 9 Terminal towage tugs | 5 Inshore line boats |
